The Town Bridge is an ancient structure, with moulder-ing stone balustrades, which spans the River Kennet. Newbury is a town of considerable antiquity, it being known in the Domesday Book as Uluritone. In the vicinity were fought two well-known battles of the Civil War, one on Enborne Common (Sept. 20th, 1643) and one near Donning-ton (Oct. 27th, 1644). In the middle ages Newbury was one of the leading centres of the cloth trade.
